

As part of our commitment to advancing sustainable tourism, we encourage our tourism partners to improve their sustainability performance by providing them with the guidance below.

- ✓ Ensure applicable legal permits are in place
- ✓ Ensure insurance is in place for guests and team
- Respect local leadership / traditional governance structures; their **permission** being obtained for visits to take place
- ✓ Identify health & safety risks, implement management systems, and provide appropriate safety equipment
- Ensure enough team members are available in case of emergency
- ✓ Monitor activity area conditions (including weather) in advance & during the activity
- ✓ Be familiar with activity area and ensure that navigation and communication tools are in good working order
- ✓ Maximise local economic benefits through employment and supporting local businesses / hosts
- Engage local stakeholders about how the activity should happen, and to ensure social and environmental impacts are managed responsibly
- ✓ Agree expectations and responsibilities of the experience with local businesses / hosts
- Ensure regular engagement with local businesses / hosts to improve quality and ensure that respect for cultural heritage is maintained
- Avoid single use & disposable items, provide adequate waste collection facilities for safe disposal (or better yet pack out what you take in), and pick up any rubbish found along the way
- ✓ Be waterwise and take pro-active measures to use water sparingly
- ✓ Minimise energy used in the activity as part of a climate action strategy
- ✓ Provide information in advance about your sustainability actions, activity accessibility, what to expect, and what to bring with
- Screen participants to make sure that the activity is well suited to their fitness & level of ability
- ✓ Manage group size to minimise impacts on people & the planet
- ✓ Ensure that activity vehicles do not disturb residents
- ✓ Obtain written confirmation, e.g., via **indemnity**, that participants are aware of activity risks
- ✓ Brief participants about do's and don'ts, safety, what to expect, applicable etiquette / conduct to be respectful of, topics of conversation that might be culturally inappropriate, activity areas / buildings that might be off-limits, and logistical considerations before the activity starts
- In sensitive socio-economic or cultural contexts, e.g., communities with little contact with other cultures, someone from the local community must accompany the group
- ✓ Share information about local nature and culture along the way and social development / conservation projects that participants may want to support
- ✓ Facilitate opportunities for meaningful exchange with local people
- ✓ Show respect for the land, waterways, wildlife, and others in the area
- Repair and compensate for any damage caused to the activity area
- Contribute to conserving activity area **integrity**; let relevant authorities / leadership know about any concerns and participate in rehabilitation projects
